

XXIII International Roundtable on Nucleosides, Nucleotides & Nucleic Acids
UCSD, La Jolla, California, USA
August 26–30, 2018

IRT 2018

August 26–30, 2018, La Jolla, California

You are cordially invited to attend and participate in the
23rd International Round Table of Nucleosides, Nucleotides and Nucleic Acids

Scholars from around the world will discuss recent developments in the
Chemistry, Biology and Medicine of Nucleosides, Nucleotides and Nucleic Acids

Venue: The University of California, San Diego (UCSD)

Registration and abstract submission are now open!

Important dates:

Smart bird rates: until January 31st, 2018

Early bird rates: until May 31st, 2018
